MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Reginald Jones of
General Electric (U)

1. I spoke with Mr. Reginald Jones of General Electric about the polygraph tests when I met him at the Business Council meeting this past weekend. I told him I was pleased that we had made progress to the degree that his new people would take the test. He was most familiar with this situation and pleased that I was willing to accept this partial step. I intimated that we hoped this would lead on eventually. He frankly did not respond directly. I got the feeling that he really is concerned at the impact on the morale of older employees if we do extend it to them. (C)

2. Still, let's proceed from where we are and see how things go. (U)
